

LET US BE THANKFUL  
Even if Thanksgiving Day is a Week  
Awty.

Jas. Hunt—Of course I am thankful. I would be more so if the legislature increased the pay of the county treasurer.

E. C. Stanwood—When one runs and is elected without opposition why shouldn't he be thankful?

A. P. Barnett—Yes, I am thankful that for two more years I can sit in the county clerk's office and see the steamers pass up and down the river. I am also thankful that the voters knew when they had a real good county clerk.

A. W. Mueller—Of course I am thankful for the support I received in the recent election, and when I go to Salem the voters of the grand old county of Columbia will be thankful that they have me there to look after their interests.

Glen R. Metsker—This Thanksgiving day will be a real thankful one for me. I should be thankful, and I am.

Bob Hattan—I am thankful for many things. In the first place I didn't have to run, and in the next place there was no recall election.

A. E. Harvey—I shall spend the Thanksgiving day very quietly with my family. For the two weeks prior to election I have worked very hard, and I consider I am entitled to a rest.

Milton Smith—I am thankful that I have a speed boat that can run faster than I did. That's all.

Bill Fullerton—I am thankful that the tax limitation law passed.

Al Lake—I am thankful that I didn't mix in the election.

L. R. Avery—I am thankful that Wilson is elected. I was an ardent supporter of the gentleman.

M. E. Miller—I am thankful that as chairman of the republican central committee I swung Columbia county into the Hughes column.

M. L. Wilson—I am thankful that my name is Wilson.

Mrs. Dodd—I have occasion to be thankful, and I am.

Mrs. L. L. Baker—I am thankful for the support given the city library by the council. I could have been more thankful if they had doubled the amount.

Mrs. Wilbur Muckle—I am thankful that the suspense didn't last any longer than it did. It was awful.

M. Saxon—I am thankful that Warren stood squarely behind Hughes. I had previously made the assertion that Warren was safe.

W. B. Dillard—I am thankful that I claim Virginia as my native state. Wilson is also a native of that grand commonwealth.

Minnie Doleshal—I am thankful that I didn't lose but 2 cents. I am also thankful that many people don't know I made a bet on the election.

Van Orshoven—I am thankful that I am still able to run a straight line. It will be my endeavor to always keep in the straight and narrow path. I thank you.

John Philip—I didn't have to run, but all the same I am thankful that people call me Judge Philip. I am a good judge and the people should be thankful that I am their judge.

Charles Blakesley—I am thankful that the voters know that I know how to make assessments and valuations. I have been at the job a long time.

Deputy Game Warden Brown came in from the Nehalem Sunday. He states that the state laws relative to hunting are being closely observed and that he has had no occasion to make any arrests.
